## Magnolia Community Farmers Market

### 2020 Sponsorship Request

The *Magnolia Community Farmers Market* has successfully completed its freshman year, and we invite you to be a part of our upcoming season! Our planning team is hard at work, committed to providing fresh, local goods to the community of Magnolia. We're working on new ideas and exciting changes to the Market, creating a more beneficial service to the neighborhood than ever before. In order to progress in these efforts, we are in need of financial support. The *Magnolia Community Farmers Market* Committee humbly requests your consideration in sponsoring our efforts to continue building a better market for the community of Magnolia. Since restarting from scratch, we have already more than doubled our vendor list, as well as broadened the availability to fresh and local meats and produce to our food desert. While navigating the route of corporate sponsorship for capital projects, we are also reaching out to our neighbors in hopes of some private donations, as well as laying the groundwork for fundraising events later in the season. We truly believe in the purpose and need to continue a farmers market in Magnolia and we kindly ask for your support in our mission.

**Yes, I would like to be a sponsor.** "Locals Providing for Locals." This theme personifies our approach to revitalizing the *Magnolia Community Farmers Market* and with your help we can bring the best vendors with the freshest produce to our village each week. We truly appreciate your kind donation.
