

Magnolia Community Farmers Market 2020 Vendor Application

The Sophomore season of the *Magnolia Community Farmers Market* is upon us, and we invite you to be a part of our success! Our remodeled mission to build a better market has proven itself worthy, and in 2020 we will continue to provide access to fresh, local goods to the community of Magnolia. We have expanded our team of planners, and incorporated exciting changes to the Market, creating a more beneficial service to the neighborhood than ever before. "Locals Providing for Locals." This theme personifies our approach to revitalizing the *Magnolia Community Farmers Market* and strengthens our objective to invite the best vendors with the freshest baked goods, meats, seafoods, produce and organically sourced crafts to our village each week. We truly believe in the continued purpose and need for a farmers market in Magnolia and we kindly ask for your talents and goods to support us in our mission.

Please review the General Vendor Guidelines before completing this application
