

# Magnolia Community Farmers Market

## 2021 Vendor Application

The revamped *Magnolia Community Farmers Market* is now entering its third season, and we invite you to be a part of our success! 2021 and the COVID pandemic were difficult obstacles to navigate and doing so required us to innovate and learn how to run a virtual market. Now for the 2021 season, we are happy to announce that in addition to our street-side market we will continue to offer a virtual market option for the convenience of our vendors and customers alike! **Virtual market participation is included in the weekly and seasonal vendor fees listed below.**

**“Locals Providing for Locals.”** This theme personifies our approach to revitalizing the *Magnolia Community Farmers Market* and builds our objective to invite the best vendors with the freshest baked goods, meats, seafood, produce and organically sourced crafts to our village each week. We truly believe in the continued purpose and need for a farmers market in Magnolia and we kindly ask for your talents and goods to support us in our mission.
